

The Island School

October 1, 2023

Dear Island School Parents and Guardians,

I hope this message finds you well. We wanted to share some important news regarding the certification status of our instructional staff at The Island School.

We are pleased to inform you that, following a comprehensive assessment and evaluation process, we can proudly say that The Island School does not have any instructional staff members who are considered "out of field" for their assigned teaching positions. This means that all of our educators meet the necessary certification requirements for the subjects and grade levels they instruct.

Maintaining a highly qualified instructional team has always been a top priority for us at The Island School. We are committed to upholding the high standards set by our district and the Florida Department of Education. Our ongoing commitment to professional development and adherence to certification requirements reflects our unwavering dedication to providing your children with a high-quality education.

We want to extend our gratitude to you, our supportive parents and guardians, for entrusting us with your children's education. Your partnership in the educational journey of our students is greatly valued.

Should you have any questions or require further information regarding our instructional staff's certification, please do not hesitate to contact us. We are here to address any concerns and ensure transparent communication with our school community.

Once again, we thank you for being an integral part of The Island School family and for your continued support in our mission to provide exceptional education to our students.

Warm regards,

A handwritten signature in black ink, appearing to read "CO", with a long horizontal line extending to the right.

Christine Oliver
Head of School
The Island School
